Sattur, Virudhunagar

Education

National Engineering College

B.Tech - AI & DS

CGPA: 7.77/10.0

Ramco Vidyalaya, R.R. Nagar

HSC: 72.4%

SSLC: 88.4%

Skills

Languages

Python, C

Frameworks & Libraries

OpenCV, Scikit-Learn

Database

SQL

AI / ML

LLM, RAG, NLP

Area of Intrest

- Generative AI
- Agentic AI
- Healthcare AI

Clubs & Memberships

- NCC – Active Cadet
- NDLI Club – Member
- ISTE – Member

SIVANI BHARATH G

Artificial Intelligence & Data Science | B.Tech. – National Engineering College

Projects

HemoTwin - IoMT-Based Predictive Healthcare System

Ongoing

- Designed and developed a hardware-integrated IoMT system using ESP32 and sensors for real-time data acquisition and monitoring.
- Implemented predictive modeling and kinetic analysis to forecast blood storage stability and identify potential quality risks.
- Integrated Digital Twin technology with sensor telemetry for continuous monitoring, analysis, and prediction.
- Developed surface-to-core temperature estimation and motion-stress detection for improved blood-unit condition assessment.

IntervueAI – Smart Mock Interview Platform

Completed

- Developed an AI-powered mock interview platform that analyzes resumes and job descriptions to generate role-specific interview questions.
- Implemented text and voice-based answer evaluation with AI-generated scores, transcripts, and personalized feedback.

Internship

AI-Based Elderly Assistance & Predictive Health Analytics

- Developed an AI-based real-time object tracking and localization system using Vision based positioning to help older adults locate misplaced household items.
- Designed machine learning-based activity recognition using sensor data and behavioral patterns.
- Built a predictive health analytics system to analyze longitudinal behavioral data and generate health trend insights.

Achievements and Certificates

- 2nd Prize – Hacfinity Hackathon, Ramco Institute of Technology (₹10,000)
- 1st Prize – NEC SYNAPX'26 (₹2,500)
- NPTEL - Cloud Computing (Elite + Silver)
- NPTEL - Technical English for Engineers
- Infosys Springboard - DBMS
